- a. Pam Knapp would be interested in supporting a noise ordinance in Marshfield. She has concerns regarding commercial kennels and moto cross tracks. Mitch is looking into this.
- b. Melissa Seifert let the Pc know that the owner of the Marshfield Inn is in process of selling and would be interested in the inn being purchased by the town for senior housing and a cafe. The PC respectfully responded that this is a select board matter but the PC would be willing to see if this conforms to the town plan.
- c. Robin will be contacting Claire Rock again about various questions regarding zoning.

Worked on zoning bylaws thru section 280
